Shop and dine at The Old Mill Square to find our homemade mixes, syrups, jams, jellies and more to take home!

If you like good biscuits and hot fritters mixed with friendly conversation - then you need to visit The Old Mill. People have been coming to The Old Mill for flour, meal and friendly conversation for nearly 200 years.

At The Old Mill, we stone grind the whole grains used in making breads, grits, hush puppies, muffins and pancakes - even the breading for our fried chicken, pork chops and catfish! We stand by our reputation for premium quality that sets us apart.

Many of the recipes we created to put our menu together contain ingredients or items that are available for purchase in our very own stores - from bags of stone-ground meal and custom soup mixes to fully prepared jams, jellies, dressing and sauces.

So, come by for a visit and enjoy the great food, company and beautiful scenery nestled in the foothills of the Great Smoky Mountains.
